Description

Author: Morris Berman.

Why America Failed shows how, from its birth as a nation of "hustlers" to its collapse as an empire, the tools of the country's expansion proved to be the instruments of its demise. Why America Failed is the third and most engaging volume of Morris Berman's trilogy on the decline of the American empire. In The Twilight of American Culture, Berman examined the internal factors of that decline, showing that they were identical to those of Rome in its late-empire phase. In Dark Ages America, he explored the external factors—e.g., the fact that both empires were ultimately attacked from the outside—and the relationship between the events of 9/11 and the history of U.S. foreign policy. • In his most ambitious work to date, Berman looks at the "why" of it all • Probes America's commitment to economic liberalism and free enterprise stretching back to the late sixteenth century, and shows how this ideology, along with that of technological progress, rendered any alternative marginal to American history • Maintains, more than anything else, that this one-sided vision of the country's purpose finally did our nation in. Why America Failed is a controversial work, one that will shock, anger, and transform its readers. The book is a stimulating and provocative explanation of how we managed to wind up in our current situation: economically weak, politically passé, socially divided, and culturally adrift. It is a tour de force, a powerful conclusion to Berman's study of American imperial decline.
1. Edward Gibbon and Francis Haverfield: the Traditions of Imperial Decline. Adam Rogers and Richard Hingley. Introduction. This paper focuses on the ... For Gibbon, the decline of cities came with the decay of buildings, the failure of city gates, . imperial discourse in the eighteenth century drew upon classical roots.

30 Apr 2013 . Apr 30, 2013 Richard N. Haass Like most temptations, the urge to gloat at America's imperfections and struggles ought to be resisted, for America's failure to deal with its internal challenges would come at a steep price. Indeed, the rest of the world's stake in America's success is nearly as large as that of the. Through the long lens of Edward Gibbon's history, The Decline and Fall of the Roman Empire, Rome 331 and America and Europe 2006 appear to have more than . From the Bosporus to the Bering Strait, from Siberia to Ceylon, nearly all of what was then known as the Orient was under some form of Western imperial rule.

24 Jun 2015 . Morris Berman in his Why America Failed: The Roots of Imperial Decline will tell us that America's historical amnesia is, of course, legendary, but this should shock even the most jaded reader: the most significant aspects of possibly the most important moment in our national history can simply be discarded..

1 Apr 2008 . The American Historical Review, Volume 113, Issue 2, 1 April 2008, Pages 319–340, https://doi.org/10.1086/ahr.113.2.319 .. There is a resilient convention of telling stories about imperial decline as inevitably dictated by the form in which imperial sovereignty took, as metropoles ruling oppressed “others.

19 Jul 2017 . Freier explains that America's failure to cope is the result of “hubris,” which is reminiscent of Imperial Hubris, a book by Michael Scheuer, the former head .. of 'facts' challenging the legitimacy of American empire is a major driver of its decline: not the actual behavior of the empire which such facts point to. Trump has accelerated the failure of the US. He makes it hard to ignore who we are. The social historian Morris Berman wrote a trilogy about the empire collapse. The second volume was in 2006 "Dark Ages America" and the third volume was 2014 "Why America Failed: The Roots of Imperial Decline." He didn't start out to.

20 Jan 2017 . Among the biggest but currently invisible elephants in the room, comprising a root cause of accelerating global system failure, is global net energy decline. Don't be alarmed if you've never really heard of this concept. It's not just Trump who is in denial about it. So is Clinton. So was Obama. So is most of the.

28 Jul 2014 . Failure to sustain imperial officers in the province resulted in intensified disorder and defiance of imperial authority.
