Description

Author: Ali Stewart.

Are you a business owner, leader or entrepreneur... who finds managing people your biggest headache? Then this book is the solution to your problems. Leaders in charge of a team, or building a team around them, often find that some people just don't behave as expected: some don't work well with others, some don't like the hours or where they sit, some consistently arrive late and miss deadlines, some cause more problems than they solve. The leader can get wrapped up in dealing with issues of morale and engagement. They begin to wonder why they bother employing people at all. This book is your perfect guide to managing and leading people. It will: Give you a fool-proof guide for developing a highly motivated dream team; Free you up to be more strategic and do what you're good at; Stop you becoming distracted and ground down with 'people' issues; Provide you with a superb, proven system for leading people to success; Enable you to keep people happy, productive and engaged.
In fact, by the standards Barack Obama subsequently set—in a presidency defined by its speeches, and perhaps to be best remembered for them—his .. that transmuted racial traumas into occasions for collective progress, the landmarks of black liberation into milestones in America's pursuit of perfection.

WHO IS IT FOR AND WHY? It's for coaches, trainers, consultants, HR professionals, business owners, leaders and entrepreneurs who are: Wanting to gain new insights into their own leadership style; Keen to create a lasting legacy; Looking to achieve more for their themselves, their people and their clients; Happy to learn.

What does it mean for a foundation to become a facilitative leader? And how can foundation staff make the case for network-based funding approaches to boards and other stakeholders? This two-part series will explore successes and insights from the DentaQuest Foundation's national systems change strategy Oral Health.
